Learn how to ride and care for our safe and sweet lesson ponies and horses on our beautiful 24-acre farm in Mattituck. Our summer riding programs are open to boys and girls with little or no experience, as well as more advanced riders. Campers will have the opportunity to participate in many aspects of horse care (feeding, grooming, bathing, tacking up, etc.) and will receive a daily private riding lesson with one of our professional trainers. Other activities may include horse/pony games, making horse treats, scavenger hunts, hay bale madness, relay races, horse science, arts and crafts, and more. We provide a fun-filled, age-appropriate learning experience with riding lessons customized to each rider's ability level. Each camper is provided their own reusable water bottle to use during camp sessions. **Pony Camp** is designed for younger children (age 5-11) and **Equestrian Camp** (age 11-13) is geared towards older children, and may also include visits from veterinarians, farriers, and/or other equine/agricultural specialists. **Pony Camp Intensive** adds two more camp sessions (Monday & Wednesday) to Pony Camp for a 5-day intensive riding experience. **Registration forms available at www.sunnymistfarm.com.
