Ages: 5-12

Thurs or Fri 4:30PM-6:00PM

Cost: \$175 per session

Session A: THURSDAYS – 9/20, 27, 10/4, 11
Session B: FRIDAYS – 9/21, 10/5, 12, 19

A great introductory program for children interested in learning not just how to ride, but also how to groom, bathe, feed, tack-up, and care for our sweet and safe lesson ponies and horses at Sunnymist Farm's 24-acre riding facility in Mattituck. Each child will receive a private riding lesson each week and participate in a variety of fun-filled hands-on farm activities and games, including making our own home-made horse treats! Choose either Thursdays or Fridays in either session or sign up for two sessions and save \$15 on your second session or second child. Riders with or without experience are all welcome and our professional trainer will tailor a riding program to meet each child's needs and abilities. Enrollment is limited to no more than 6 children per session. Equipment needed: riding boots or a shoe/boot with a heel (approximately ½"), long pants and a riding or bicycle helmet.
